PERFECT TRANSFORMATION PROGRAM

INGREDIENTS & THEIR BENEFITS

PASSION FRUIT

Rich in vitamin C, which is an antioxidant that helps protect the body from damage caused by free radicals.

Vitamin C boosts the immune system by helping the body absorb more iron from plant-based foods and may improve the body's ability to fight off infection in the body.

Fibregum™

Provides all-natural dietary fiber sourced from selected acacia tree. It can improve irritable bowel problem, relief constipation and restore our gut barrier. Help stimulate short chain fatty acids production which can reduce our bad cholesterol and it has proven prebiotic and bifidogenic effect.

AFRICAN MANGO

Enhance metabolic rate, high fiber content of the African mango seed competes with cholesterol and helps remove it.

HAWTHORN BERRY

- Promotes circulatory health, antioxidant
- Improves cardiovascular system

MORINGA

- High in protein, fiber and nutrient
- Help enhance our immune system
- Nourishing body cells

MILK THISTLE

- Support liver health
- Boosts immune system
- Contains silymarin, which acts as an antioxidant by reducing free radical production

EASY WAY TO **DETOXIFY and IMPROVE** BODY IMMUNITY

Toxins assault us daily via stress, pollutants, additives and chemicals in our food, water, air, cleaning agents and more.

Hence, having a regular detoxification can improve sleep, energy and overall health by eliminating toxin that are accumulated in our organs.

Mighties S contains powerful detoxifying agent which acts as scavenger; capture accumulated toxins in liver and gut follow by flushing it out from our body.
